1. New Pick-Up Procedure for Parents of KID'S Church Children -

Starting this Sunday parents will:

Enter the KID'S Church room through the "Entrance" door.

Pick up your child in the KID'S Church room.

Clip your badge and your child's badge together.

Give the badges to the KID'S Church volunteer.

Exit through the "Exit" door.

We are striving to make the "Pick-Up" procedure the safest for your child and the most efficient for you - the parent. Thank you for your patience as we work together in making Crossroads as safe place for all. Please contact me if you have any questions.

2. "Take the Next Step" for kids!

During the past two weeks, children from ages 3 through the 4th grade have been spending a special time devoted to stewardship. Each child should have received a money box that was taken home and should be filled by Sunday, December 7. On December 7 (First Fruits Sunday) there will be a special time during the two services where the children will come into the Worship Center and present their gift (money box) to the Lord to bless. If your child did not receive a money box, they can pick them up from either the Wee Worship room or the KID'S Church room. The children are very excited about the new Children's Ministry building. I would like to encourage you to help us as we explain the different aspects of our Capital Campaign program to your children. Together we help the children in their understanding and excitement of giving back to God!
