

Luncheon at Crossroads

Crossroads hosts Ridgeview Elementary Faculty & PTO

On Friday, August 8th, Crossroads had the opportunity to host the faculty and staff of the new Ridgeview Elementary School as the school's newly-formed Parent Teacher Organization (PTO) prepared a luncheon for them. The event was held in the Crossroads auditorium and served as a good break for the teachers as they had a faculty meeting in the morning and continued after the luncheon. Peggy Greene, Ridgeview's Principal, along with Melinda Carr, Assistant Principal, expressed their great appreciation for the thoughtfulness of the PTO to do such a kind thing for the school's staff.

The school is scheduled to open on Monday, August 25th, two weeks later than the other Washington County Schools. The delay is due to continued construction on the brand new facilities. As a result of some of the areas of the school not being available, Ridgeview has held faculty meetings, PTO meetings, and athletic booster meetings at Crossroads. The church has also hosted volleyball, soccer, football, and cheerleading practice for its new neighbors.
